

Omaha Christian Academy Coaching Staff (Middle School and High School)

Location: Omaha Christian Academy: 10244 Wiesman Drive, Omaha, NE 68134

Reports To: OCA Head of Schools

Work Schedule

Coaches must have a flexible schedule and be able to attend all practices, games, tournaments, and other job duties (as applicable).

Contracted hours for OCA teachers are 7:30 AM – 4:30 PM Mondays; 7:30 AM – 4:00 PM Tuesday through Friday, as coordinated through the individual teacher contract; and all required Inservice days, conferences and school events that may lie outside of those core hours, unless otherwise approved by school Administrator. Flexibility to the contracted teaching hours is acceptable to appropriately coordinate with coaching hours, should you be hired for a teaching role as well.

Job Description

Coaches and Teachers at OCA play a crucial role in encouraging students' growth in light of biblical truth. God's word is woven through our curriculum at all levels, and it is imperative that our teachers and coaches exemplify Christ. Coaches serve as a Christian role model to pupils, and as an example to all in judgment, dignity, respect, and Christian living. Coaches and Teachers are expected to abide by all facets of the OCA Statement of Faith, Christian Philosophy and faculty handbook.

Teacher Job Duties and Responsibilities

- Hold and maintain a qualifying Nebraska (NSAA) coaching certificate or the ability to obtain one before the start of the athletic/activity season as necessary (High School).
- Assess talent to highlight each student's skills and encourage student and team development.
- Guide and/or assist in all phases of a competitive athletic program or student activity in accordance with OCA and NSAA rules and regulations.
- Collaborate with students, parents, and staff to provide a positive and Christ-centered performing environment.
- Maintain communication with parents/guardians on activity schedules, updates, and requirements of the students/team.
- Demonstrate excellent organizational skills, time management, both written and verbal communication, and interpersonal skills.
- Demonstrate the ability to appropriately manage game/performance statistics and scorekeeping.

Physical and Mental Demands:

- Must be able to respond quickly in emergency situations.
- Must be able to lift, bend, stand and walk at an appropriate level for coaching competitive sports and activities.
